

**BOX**

PRODUCTION

# PROJECT DESCRIPTION

The brief for **Studio BOX 51**, owned by the Monte-Video agency, was to produce a design for **audio-visual** activities, including photography and videography with subsequent post-production. The premises will also incorporate an admin area for the running of the business, **commercial leasing** and a **coworking space** for professionals in the field.

The studio's interior design should be characterised by simplicity and a modern, unique ambience, **with an emphasis on the functionality and versatility.**
